

1. This action is in response to the amendment that was received on March 17, 2009. Claims 1-22 are pending.

Not Fully Responsive to Prior Office Action

2. The reply filed on March 17, 2009 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant's response fails to address the objection to the specification in the office action mailed on December 22, 2008. See paragraph 2 of the office action. The objection to the specification clearly sets out the problems in the specification and clearly states that correction is required. However, applicant did not respond to the objection. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Conclusion

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dennis M. Butler whose telephone number is 571-272-3663. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for

published applications may be obtained from either Private PAIR or Public PAIR.

Status information for unpublished applications is available through Private PAIR only.

For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
